

## TRIPOD FOR K9 / K10 LIGHTING

<https://www.securhit.com/en/mobile-lighting/1025-trepied-pour-eclairage-k9-k10.html>

Poles for K9 and K10 spotlights

### Description

This tripod system raises the head of the K9 and K10 floodlights to a height of 4.5m to increase the illuminated area.

Stable thanks to its three folding feet, it comes with a shoulder strap for easy transport.

Height adjustable from 1.52 to 4.5 m.

### Caractéristiques

- Weight : 4.4 kg
