Division POKET WYE High pressure 40 bars with key handles

Description

The POKET WYE PN40 division features GFR DN20 bronze fittings for use at a nominal pressure of 40 bar. Compact thanks to its valves fitted with key handles, it is designed with the storage capacity of emergency vehicles in mind.

Constructed from heat-treated primary aluminium alloy with a yellow-tinted polyester coating for optimum resistance to all conditions of use.

The POKET WYE division is fitted with feet that maintain a horizontal position on the ground.
