

FIRE BIRD MULTI-PURPOSE AXE

<https://www.securhit.com/en/forcible-entry-tools/1045-hache-polyvalente-fire-bird.html>

FIRE BIRD all-purpose fire axe

Description

The FIRE BIRD fire axe is a versatile tool that combines low weight with high impact power. It combines the classic firefighting axe with a powerful lever arm to facilitate firefighting operations. It eliminates potential obstacles and removes objects to secure intervention zones.

With a weight of 3.3 kg and a length of 99 cm, the FIRE BIRD axe combines striking power and maneuverability: an indispensable tool for fire-fighting operations.
