

ONE-SIZE-FITS-ALL FIREFIGHTER'S BELT 85 TO 120CM

<https://www.securhit.com/en/ppe-accessories/1060-ceinturon-d-intervention-pompier-taille-unique-85-a-120cm.html>

Intervention belt for firefighters

Description

Intervention belt in 85 mm wide braided cotton for optimum comfort and support, with 44 mm wide black polyester webbing for wearer safety.

The belt closes with a polished stainless steel buckle.

The buckle can be used to adjust the size of the belt and secure the lanyard to the workbench.

Two side dice for work positioning lanyard connectors.

Two gray retro-reflective borders optimize the wearer's visibility.
