Milwaukee M18 FSZ 802X sabre saw with 2 8AH batteries

Description

The Milwaukee M18 FSZ 802X sabre saw is a powerful, versatile saw specially designed for professionals. Featuring the POWERSTATE brushless motor, it offers high cutting power, durability and long battery life.

A patented gear protection device extends the life of the gears and motor by absorbing the high impact forces caused by sudden blade jams.

The FIXTEC blade change lever makes changing the blade quick and easy.

Technical features :

- Metal-reinforced battery holder
- Integrated LED to illuminate cutting surface
- Adjustable shoe
- Integrated battery charge indicator
- Metal suspension hook for better workspace management
- Cutting speed: 0-3000 strokes/min
- Stroke: 32 mm
- 2 Red Lithium-Ion 8.0 AH batteries included

Caractéristiques

- Weight with battery : 3.8 kg
