Folding strap for CONVOY hose

## Description

The CONVOY hose strap can be used to pack hoses in skeins (O-fold).

Fitted with a Velcro fastener and a textile ring, you can quickly adjust the tension to suit your hose. It saves time and space.

Available in three colours:

- Green and Blue: Length 190 mm / For Ø45 hose
- Red: Length 250 mm / For Ø70 hose

## Caractéristiques

- Weight : 0.1 kg
