CPL 429 M SUB Wet & Dry Professional Vacuum

Description

The CPL 429 M SUB wet & dry vacuum is a professional-grade vacuum cleaner designed for emergency interventions, industrial cleaning, and water or dust-laden environments. Its robust and compact design allows for efficient suction and discharge of liquids, even on flooded surfaces, concrete cutting sites, or heavily soiled areas. Equipped with a 60 L tilting tank and an integrated sump pump, this vacuum ensures fast liquid discharge and easy emptying, while its steel handle and four swivel wheels provide optimal mobility on any site.

Technical Specifications

- Power: 2400 W
- Voltage: 230 V
- Airflow: 360 m³/h
- Water lift (vacuum pressure): 2200 mm
- Number of motors: 2
- Tank capacity: 60 L
- Dust bag capacity: 45 L
- Noise level: 73 dB
- Dimensions: 43 (L) x 55 (W) x 91 (H) cm
- Hose connection: DSP 40
- Weight: 28 kg

Key Features

- Wet & dry professional vacuum for demanding environments

- Integrated sump pump for rapid liquid discharge
- Tilting 60 L tank for easy emptying
- Robust and compact design with steel handle and swivel wheels
- Ideal for industrial cleaning, flood recovery, and post-disaster interventions

Caractéristiques

- Dimensions : 43 (L) x 55 (l) x 91 (H) cm
- Weight : 28 kg
- Débit d'air : 360 m³/h
