

HEAD IMMOBILISER FOR STRETCHER AND HARD SURFACE

<https://www.securhit.com/en/immobilization/1109-immobilisateur-de-tete-pour-civiere-et-plan-dur.html>

Head immobiliser for use with stretcher and hard surface

Description

This head immobiliser fits all hard surfaces, stretchers and gurneys. With its buckle and Velcro fastenings, it stabilises the victim's head and ensures their safety.

Made from high-density plastic, it is water-resistant and easy to clean. Large holes in the ears allow you to monitor the victim's ear canal.

Fitted with 4 securing straps on each side for optimum stability.

Colour: red
