

ORANGE HARD PLAN

<https://www.securhit.com/en/immobilization/1110-plan-dur-pec-orange.html>

Orange hardtop with belts

Description

Hard surface designed to evacuate, lift and transport a casualty easily and safely. Thanks to its two safety belts, it ensures complete immobilisation and perfect support of the casualty, particularly in the event of suspected trauma.

It is compatible with most head immobilisation devices and straps. It can also be used as a floating device.

Maximum transportable load: 159 kg.

Caractéristiques

- Dimensions : 184 (L) x 45 (l) x 6 (h) cm
- Weight : 7 kg
- Coloris : orange
