

RETRO GREY COTTON INTERVENTION BELT 120CM

<https://www.securhit.com/en/ppe-accessories/1123-ceinture-d-intervention-coton-retro-gris-120cm.html>

Grey 120 cm accessory and battery belt

Description

Quick and easy to use firefighter's belt with integrated battery-carrying strap. Connects the firefighter to a lifeline.

Made from 55mm cotton braided webbing with black epoxy steel buckles. It can be used to attach a lamp, gloves and braid.

Features an accumulator strap, grey EN 471 / EN 469 retroreflective tape, a karabiner and a hooking dice on the side for connecting the firefighter to a lifeline.

Available in several sizes and colours on request.
