Multi Battery 12050MH LED worksite floodlight

Description

The Multi Battery 12050MH 360° LED floodlight is designed for intensive use and optimum mobility thanks to the Multi Battery 18 V system.
With a power output of 100 W, it is compatible with all the major brands of 18 V batteries (Bosch Professional, Dewalt, Makita, Metabo CAS, Milwaukee, etc.), offering flexibility and autonomy.

Featuring hybrid technology (battery and mains), it incorporates a charge indicator and a protection system against deep discharges, overloads and short circuits.
Its 12,000 lumen brightness ensures wide, even illumination with reduced glare. Its IP54 protection rating guarantees resistance to dust and water splashes, ideal for demanding environments.

TECHNICAL FEATURES :
- On/off switch with 4 lighting modes: 100%, 75%, 50% and 25% (full power when switched on).
- Luminous flux: 12,000 lumen
- 5 m fixed H07RN-F 2X1.0 cable
- Fitted with an anti-tilt support, opaque glass and rubber anti-shock face protector.

Caractéristiques

- Dimensions : 28.60 x 28 x 37.80 cm
- Weight : 4.98 kg
