

AEROTEAM IV HARNESS TEAM SPORT

<https://www.securhit.com/en/harnesses-and-belts/114-baudrier-aeroteam-iv-sport-collectif.html>

Sport seat harness for schools and collectivities

Description

Very lightweight seat harness design for collectivities, children and hiking, covering all sizes from XS to XL. Comfort foam on waist and thighs and a tape ring running on the waistbelts allows the pulley to be secured.

2 gear loops, waist and 44mm-thighs strap

3 Self-locking loops retained by straps (children safety).

Entirely adjustable, waist size 45-115 cm, legs loops 26-72 cm.

Weight 395 gr.

Maximum lifetime = 15 years (storage and use).

Certified CE EN 12277 - Conform to Directive 89/686 EEC.
