BLACK STATIC guy rope by COUSIN

Description

Guy rope designed for pruning, made from black braided Technora® aramid fibres with UV protection.

COUSIN BLACK STATIC rope offers excellent breaking strength, high stability under load and optimum resistance to high temperatures.

The polyurethane impregnation reinforces its durability by improving its resistance to abrasion.

Lightweight, easy to handle and splice, it is a reliable alternative to steel cable.

Its static behaviour ensures no elongation under load and no creep under constant tension.

Technical specifications:

- Ø 6 mm

Breaking strength: 28 kN

Resting weight: 20 g/m

- Ø 8 mm

Breaking strength: 42 kN

Resting weight: 36 g/m

- Ø 10 mm

Breaking strength: 78 kN

Resting weight: 56 g/m

- Ø 12 mm

Breaking strength: 110 kN
Resting weight: 81 g/m

- Ø 14 mm

Breaking strength: 145 kN
Resting weight: 115 g/m

Caractéristiques

- Length : Bobine de 100 m
- Coloris : Noir
- Construction : Tresse creuse 12 fuseaux en Technora®
