

MEDICAL FIRST AID BAG SG40 RED

<https://www.securhit.com/en/sacs-medicaux/116-sac-premiers-secours-medical-sg40-rouge.html> Medical bag SG40 for medical emergencies

Description

The medical first aid bag has a full opening with YKK® zip, rigid frame, two pockets (26 x 22 x 9 cm), two side pockets (13 x 13 x 6 cm) and one side pocket (38 x 12 x 6 cm).

The pockets are all fluorescently coloured with a reflective strip for better visibility.

Equipped with wide handles for easy carrying and four removable inner pockets (29 x 13 x 12 cm) in different colours with a transparent side and handle.

Also equipped with an inner pocket with four removable pockets, also in different colours, with a transparent side (26 x 10 x 7 cm).

Padded back, two handles and two padded back straps for comfort, and additional adjustable waist and chest straps.

Outer material: Cordura® 110 dtex, inner material: Polyamide 210D PVC.

The SG40 medical bag has been designed for medical emergencies and has plenty of storage space to carry the necessary equipment for interventions and first aid.
