INFINITY BOOT RED S3 safety shoes by SOLIDUR

Description

INFINITY footwear is designed to cope with the most hostile environments. Approved to Class 3 (28 m/s) in accordance with EN ISO 17249, they offer enhanced protection against chainsaw cuts, while guaranteeing comfort, durability and grip, even on slippery or uneven ground.

Technical specifications:

- Thick, supple Perwanger leather upper (2.2-2.4 mm): water-repellent, robust and durable.
- Event membrane: waterproof, breathable, for dry feet all day long.
- Nitrile rubber outsole: non-slip studs, excellent grip on difficult surfaces.
- Extra-large steel toe cap (200 J): extra safety for your toes.
- Composite anti-perforation insert (P): lightweight, flexible, non-conductive.
- Rigid malleolus guard + anti-intrusion elastic edging: guaranteed stability and cleanliness.
- Breathable lining + removable insole: anti-fungal, anti-bacterial, improved hygiene.
- Thermal insulation (CI/HI): protection against cold and heat.
- Contact heat resistance (HRO): sole resistant to 300°C.
- Complete waterproofing (WR + WRU): total protection against moisture.
