SECURHIT

ROPE END KIT

https://www.securhit.com/en/cordes-et-cordelettes/118-kit-bout-de-corde.html Labels and sleeves to facilitate the traceability of your equipment

Description

The Rope End Kit includes 50 pieces. It is composed of rot-proof, tear-proof and waterproof labels and heat-shrinkable sleeves that are very resistant to abrasion. It allows you to replace the old ones, but above all to set up your own material tracking system.

Caractéristiques

- Materials : Acrylonitrile butadiène styrène / Polystyrène exp
