

HISAFE PAYPER WEAR HIGH-VISIBILITY PARKA

<https://www.securhit.com/en/technical-footwear-and-clothing/1180-parka-haute-visibilite-hisafe-payper-wear.html>

HISAFE two-tone high-visibility parka from PAYPER WEAR

Description

Designed to offer optimum protection, enhanced visibility and great versatility, this 4-in-1 parka adapts to variable weather conditions while meeting the requirements of high-risk professional environments.

Technical features:

- Unlined outer jacket with zip fastening and metal slider, protected by a Velcro flap
- Detachable or foldable hood in the collar, with tightening drawstring
- Adjustable elasticated cuffs
- Heat-sealed seams for perfect waterproofness

- 4 outside pockets:

Right breast pocket with velcro flap, pen holder and retractable badge holder

Zippered heart pocket

Two lower zippered pockets with press studs and side opening

- Inner jacket:

Padded and detachable sleeves

Plastic zip closure with metal slider

Elasticated cuffs for a secure fit

- 4 front pockets:

Left breast pocket with Velcro fastening, pen holder and retractable badge holder

Zippered heart pocket

Two lower pockets with velcro flaps

- Microfleece collar and shoulders for added thermal comfort

- Inside zip opening for easy branding (printing or embroidery)

- Reflective piping on torso, shoulders and sleeves for increased visibility

Advantages :

- 4 in 1: Can be worn as a parka, jacket or waistcoat depending on requirements and weather conditions
- High visibility: Ideal for operations in low-light areas
- Waterproof & warm: Effective protection against rain and cold
- Modular & functional: Multiple pockets, removable hood, detachable sleeves
- Customisable: Easy access for printing or embroidery
