SYMPATEX NANOSHIELD rain trousers by PFANNER

Description

Designed for professionals exposed to the toughest conditions, the SYMPATEX NANOSHIELD rain trousers offer top-of-the-range waterproof protection, great freedom of movement and a design that has been thought through down to the last detail.

Thanks to its SympaTex membrane and a water column of 40,000 mm, these trousers are totally waterproof, even in torrential rain.

Technical specifications:

- SympaTex membrane: 100% windproof, waterproof and breathable.
- Waterproof zips and waterproof pockets without flaps.
- Cordura® reinforcements on knees for excellent abrasion resistance.
- Zip fly and waistband fastening for easy donning.
- Zips at the calves: so you can put on the trousers without taking off your shoes
- Practical pockets: one for ruler, one for mobile phone
- Integrated belt loops and braces ties
- 3CON® Reflex: high-visibility reflective strips
- Warning colours certified to EN ISO 20471 - Class 2: neon yellow, neon orange
- Made from 100% recyclable polyester

Sizes available from XS to 5XL.

Available in various colours on request.
