SYMPATEX NANOSHIELD rain jacket

Description

The Nanoshield® rain jacket is designed for professionals who work outdoors, even in extreme weather conditions. Thanks to its cutting-edge technology, SYMPATEX waterproof membrane and high-performance technical materials, it offers total protection against the rain, while ensuring visibility, comfort and practicality.

Technical specifications:

- SYMPATEX® membrane - 40,000 mm water column
- Waterproof zips for all external pockets
- Central zip with rain flap
- Extended back: effective protection for the lumbar area
- Integrated hood with adjustable coverage
- 3CON® reflective strips: optimum visibility even in very bad weather
- Mesh lining and KlimaAIR® ventilation mesh: improved air circulation and moisture regulation
- 2 side pockets / 2 zipped chest pockets / 1 zipped inside pocket
- Inside Velcro fastening for accessories or equipment

Caractéristiques

- Composition : 100 % Polyester
- Tailles : XS au 5XL
