CLIMB high-visibility stretch work jacket

Description

Designed for demanding professionals, this stretchy, lightweight and functional work jacket offers an ideal solution for working comfortably in all seasons. With its dynamic design, bright green and blue colours and technical materials, it combines ergonomics, visibility and robustness, while guaranteeing exceptional freedom of movement.

Technical composition:

- 4-way stretch main fabric: 88% Cordura® / 12% Spandex® - 275 g/m².
- Teflon® water-repellent treatment for greater resistance to water and dirt splashes
- High-strength reinforcements: Armortex® Kevlar® (31%), Nylon® (61%), Spandex® (6%) and PU (2%) - 340 g/m².
- Coated Cordura® 500D - 235 g/m².
- 100% polyester lining for optimum comfort and lightness

Technical information :

- Removable sleeves: can be worn as a jacket or waistcoat as required
- Extended back with bumper for better lumbar protection
- Dual-access back pocket for storing removable sleeves
- Numerous functional pockets: 2 chest pockets / 1 phone pocket / Inside pockets
- Adjustable cuffs with hook-and-loop fastener for a perfect fit
- High resistance to abrasion and wear thanks to technical reinforcements
- Reinforced materials in the most heavily used areas
- Crosshatched reflective stripes and retro-reflective piping for optimum visibility in low-light or high-risk environments

Caractéristiques

- Tailles : S au XL
