Cotton and polyester coveralls from SINGER SAFETY

Description

Comfortable and practical, these coveralls are designed to meet the needs of professionals in all sectors. Made from a quality fabric combining 65% polyester and 35% cotton (245 g/m²), it offers excellent resistance to wear while remaining light and comfortable to wear, even during prolonged use.

Key features:

- Numerous external pockets cleverly positioned for quick access to essential tools and accessories.
- Concealed two-way zip under a hook-and-loop flap for optimum protection against dirt and wind.
- Integrated kneepad pockets for extra comfort when working on your knees.
- Elasticated waistband for greater freedom of movement and an ergonomic fit.
- Adjustable cuffs with hook-and-loop fasteners for optimum support and a customised fit.
- Retro-reflective piping in several strategic areas to improve visibility in dark or low-light environments.

This product complies with Regulation (EU) 2016/425 on Personal Protective Equipment (PPE). Category I.

Colours available: black, grey and orange.
