NEXT 400 SUMMER trousers from PAYPER WEAR

Description

Designed for hot environments and demanding activities, the NEXT 400 SUMMER stretch unisex work trousers offer the perfect combination of lightness, comfort, technical features and durability. Thanks to their ergonomic cut, numerous functional compartments and reinforced finishes, they are ideal for professionals looking for performance and freedom of movement.

Technical specifications:

- Ripstop stretch fabric: supple, lightweight (210g/m²) and tear-resistant
- Side elasticated waistband and belt loops for optimum fit
- Zip fastening with personalised button for a modern, secure touch

Front pocket

- 2 classic shaped pockets
- 1 small coin pocket on right
- 1 small zipped security pocket on left
- Left leg: 1 gusseted pocket with Velcro flap + integrated badge holder
- Right leg: 1 smartphone pocket with reflective piping + 1 gusseted pocket

Rear leg :

- 1 flap pocket with Velcro
- 1 pocket without flap with double reflective tape
- 1 ruler holder (right leg)

- Knee pad holders in contrasting fabric with bottom opening, on each leg

- Retro-reflective inserts on knees, pockets and openings: increased visibility in low-light conditions
- Heel straps in contrasting fabric on both legs for extra protection of the lower legs
- Triple seams on crotch, inside and outside legs for maximum strength
- Contrast fabric piping with multiple tension points for extended durability
- Unisex straight fit for a wide range of body shapes

Composition: 50% polyester, 26% cotton, 24% elastomultiester

Several colours available on request.
