WODA red softshell work jacket

Description

The WODA jacket is a 3-in-1 softshell work garment, designed to offer optimum protection against the elements while guaranteeing great freedom of movement. Thanks to its removable sleeves, it can easily be transformed into a waistcoat, adapting to changing weather conditions and field requirements. Combining technical features, comfort and visibility, the WODA is the ideal garment for outdoor professionals.

Technical composition :

- 3-layer softshell fabric
- 94% Polyester / 6% Spandex
- Waterproof-breathable PU membrane
- 100% polyester microfleece lining
- Grammage: 320 g/m².

Technical information :

- Removable sleeves for use as a jacket or waistcoat
- Ergonomic collar for extra protection
- Water-repellent and windproof fabric
- Microfleece lining: warmth, comfort and moisture management
- Windproof and water-repellent
- Breathable membrane for good thermal regulation
