SINGER SAFETY "Maîtrise" cold padded leather work gloves

Description

Designed for cold environments, these gloves combine the suppleness of full-grain cowhide with the warmth of thick acrylic inner fur. The "American" fit, webbed thumb and carefully designed fingers ensure optimum comfort and freedom of movement.

Technical specifications:

- Main material: full-grain cowhide leather, carefully selected for its natural suppleness and durability.
- Inner lining: thick acrylic fur for excellent thermal insulation.
- "American" assembly with webbed thumb for improved anatomical comfort.
- Fingers designed for precision: middle and ring fingers sewn on separately, index finger in one piece for greater sensitivity.
- Reinforced piping at the seams for extra durability.
- Elasticated back for a secure fit.

Manufactured to ISO 9001 and ISO 14001 standards.
