StretchFlex® KeproTechnic Gloves □ Precision, Comfort & Durability

Description

The StretchFlex® KeproTechnic gloves are specially designed for precision work requiring agility, protection, and long-lasting comfort. Made from high-quality Alcantara fabric, they provide excellent wear resistance while maintaining maximum flexibility for total freedom of movement.

Key Features

- Ideal for precision tasks and fine manipulations
- StretchFlex® technology: ergonomic fit and exceptional comfort
- Non-slip finger tips for improved grip
- Ergonomic Kepro reinforcement on the palm for enhanced durability
- Seamless genuine leather reinforcement between thumb and index finger for added strength
- Elastic neoprene wrist with velcro closure for a secure and adjustable fit
- Reinforced internal seams for greater abrasion resistance
- Breathable and flexible fabric for long-lasting comfort even during intensive use

Technical Specifications

- Materials: goatskin, spandex, aramid (Kevlar®)
- Color: gray / red
