Torrent Helmet CE EN 1385 Certified Safety Helmet for Outdoor Activities

Description

The Torrent Helmet is a high-quality protective helmet designed to provide safety, comfort, and visibility during your outdoor activities. Compliant with CE EN 1385:2012, it combines robustness and lightweight design to effectively protect your head in all situations.

Key Features
- Durable ABS shell with internal EVA and PE foam padding
- Soft, removable ear protection for maximum comfort
- Precise adjustment with a ratchet wheel for a perfect fit
- Adjustable chin strap for secure and stable wear
- Clip system: 2 side clips and 1 rear clip for attaching a mask or headlamp
- Reflective strips for enhanced visibility
- Ultra-lightweight: 400 g

Specifications
- Size: L, adjustable from 54 to 62 cm head circumference
- Standard color: yellow (red available on request)

The Torrent Helmet is the ideal choice for adventurers, athletes, and professionals seeking protection, comfort, and practicality during high-risk activities.
