Arphidia 2 Base Layer ☐ Warmth and Comfort for Caving

Description

The Arphidia 2 base layer is designed to provide optimal thermal protection and maximum comfort during activities in underground environments.

Its close-fitting cut helps retain heat while ensuring excellent freedom of movement.

Technical Features

- Material: Bi-Stretch fabric made of 20% polyamide (durability), 72% polyester (warmth), and 8% Lycra (elasticity).
- 3-slider zipper: front zip set at a slight angle to prevent neck irritation, extending slightly to the back.
- Close-fitting cut: hugs the body perfectly to maximize warmth.

Caractéristiques

- Weight : 455 g
- Tailles : XS au XXXL
- Coloris : Bleu
