Folding Industrial Funnel – Mobile and Versatile

Description

The Industrial Folding Funnel allows for easy collection of liquids in hard-to-reach areas, such as damaged pipes. Usable alone or suspended on its folding stand, it provides mobility, lightweight handling, and fast deployment for industrial and technical environments.

Key Features:

- Portable and foldable for easy transport
- 4 extension corners for hanging the funnel on the stand
- Integrated handles for easy handling
- Resistant to technical liquids and petroleum products (heating oil, diesel, hydraulic oil, gasoline)
- Easy to maintain and reusable
- Available with Storz C52 or D25 aluminum coupling (depending on the model)
- Standard color: red

Key Benefits:

- Saves time and ensures safety for work at height or in confined spaces
- Versatile usage: alone or on the folding stand
- Durable and cost-effective industrial tool

Two models available:

IFF 07

- Dimensions: 300 × 300 × 250 mm
- Weight: 0.5 kg
- Volume: 10 L

IFF 01

- Dimensions: 790 × 790 × 750 mm
- Weight: 1.9 kg
- Volume: 140 L

Caractéristiques

- En options : Chevallet escamotable / sac
