Franco Garda Stretcher Carry Backpack □ Easy and Secure Transport

### Description

The Franco Garda stretcher carry backpack is an essential accessory for storing and transporting the folded Franco Garda stretcher. It allows rescue teams to carry the stretcher comfortably and securely, while protecting it during transport.

#### Key Features:

- Padded back panel and wide shoulder straps for optimal comfort
- Adjustable, cushioned shoulder straps suitable for all users
- Designed for safe transport of the folded Franco Garda stretcher
- Lightweight and compact (1.6 kg) for easy handling

#### Benefits:

- Protects the stretcher during transport
- Ergonomic design reduces carrier fatigue
- Ideal for remote or difficult terrain interventions
- Compatible with all Franco Garda stretcher models

The Franco Garda carry backpack is the perfect accessory to ensure mobility, comfort, and protection for the stretcher during all rescue operations.
