Manchester Waterproof Rain Jacket - HELLY TECH® PROTECTION

Description

The Manchester waterproof rain jacket is designed to provide reliable protection against rain, wind, and harsh weather conditions. Featuring HELLY TECH® PROTECTION technology, it delivers excellent waterproofing while maintaining breathability for optimal comfort during extended use. Its fully seam-sealed construction creates an effective barrier against moisture, while practical features make it a functional rain jacket suitable for demanding outdoor work environments. Lightweight and comfortable, it ensures protection without restricting freedom of movement.

Technical Features

- HELLY TECH® PROTECTION technology: waterproof, windproof, and breathable
- Fully waterproof construction with fully taped seams
- Front YKK® zipper with storm flap
- Storm flap for enhanced waterproof protection
- Two hand pockets
- Back ventilation opening for improved airflow
