Kensington Softshell Jacket - Water-Resistant Windproof Work Jacket

Description

The Kensington softshell jacket is designed to deliver an ideal balance of comfort, protection, and functionality for demanding working environments. Built with a softshell fabric featuring a membrane and durable water-repellent (DWR) treatment, it provides reliable protection against wind and light rain while maintaining excellent breathability. Its ergonomic design, combined with an extended back hem, articulated sleeves, and a high collar lined with brushed fleece, ensures optimal comfort throughout the working day. Versatile and durable, it is perfectly suited for professional daily use.

Technical Features

- Front YKK® zipper with chin guard
- High-strength AMANN threads
- Softshell fabric with membrane and durable water-repellent (DWR) finish
