Chelsea Evolution 2 MXR S7S Mid-Cut Safety Shoes - Waterproof and Slip-Resistant

Description

The Chelsea Evolution 2 MXR S7S mid-cut safety shoes combine protection, comfort, and high performance for professionals working in demanding environments. Designed to withstand tough conditions while ensuring all-day comfort, these shoes incorporate advanced technologies and durable, sustainable materials. Featuring the Helly Tech® waterproof membrane, your feet stay dry in any condition, while the wide fit and Ortholite® X25 Hybrid insole provide long-lasting cushioning and effective moisture management.

The High Rebound EVA midsole delivers dynamic cushioning and returns up to 50% of energy with each step, reducing fatigue during long shifts. The HELLYGRIP rubber outsole ensures maximum grip, oil and hydrocarbon resistance, abrasion resistance, and long-lasting durability.
