Addvis Class 1 High Visibility Sweatshirt - Stretch Full-Zip UPF 40

### Description

The Addvis Class 1 high visibility full-zip sweatshirt is designed to provide an ideal balance of visibility, comfort, and freedom of movement for professional environments requiring safety signalling. Lightweight, functional, and modern, it is perfectly suited for both indoor and outdoor work activities. Thanks to its 4-way stretch fabric, this sweatshirt ensures excellent mobility throughout the working day. Its ergonomic design and high-quality finishes deliver long-lasting comfort, even during intensive use.
