

PETZL ANTI-BURNS DESCENDEUR IN EIGHT

<https://www.securhit.com/en/belay-and-descenders/135-descendeur-en-8-antibrulure-petzl.html>

Descender in eight with anti-burn grip

Description

The anodized version of the HUIT with an anti-burns grip to safely grip the heated device by a long or fast descent, square shaped to reduce rope twisting and lark's head formation, made of high strength forged aluminium. The descender has a small hole that can be used as a back-up with a thin rope or as a belay system.

Rope compatibility: can be used with ropes from 8 to 13 mm in diameter.

Caractéristiques

- Weight : 110 g
- Material : Aluminium
