<https://www.securhit.com/en/sacs-et-rangements/159-pochette-pour-sac-helitransportable.html> Equipment pouches specially designed to fit on heli bags

Description

Specially designed gear pouches to fit Ruth Lee helicopter bags. Each pouch is large enough to hold a tunic and leggings, boots, T-Shirt and light pants for flying and an immersion suit, T-Shirt and light pants for firefighting. Each helicopter bag can hold up to 6 personal pockets.

Made of heavy duty black/orange PVC. Each pocket has a clear PVC window on top to display a number or personal information. Carrying handle is made from 38mm high density polypropylene strap. It can also be hooked to the base of the bag to form an adjustable shoulder strap. These straps can also be detached to attach the pouch to a ship rail, using the large stainless steel carabiner.
