PRISON SECURITY TRAINING MANIKIN

https://www.securhit.com/en/rescue-mannequins/207-mannequin-de-degagement-a-menotter-adulte-50-kg.html

Flexible manikin for prison security training

Description

Solid manikins, with a realistic size, a weight and a prehension equivalent to an inert body.
Constructed from the same flame retard material used in police ballistic/stab vest.
Tough enough to be driven over with a vehicle or being dropped from 2nd floor window with no damage
Also waterproof, they can be easily cleaned and dried.
Accept any standard handcuffs which can be replaced to prevent damage to the main manikin body.
Reinforced neck, strong enough to simulate a suicide through hanging without damage. This prison security manikin is ideal to train the intervention teams duraing maneuvers where people have to be handcuffed.
Size: 1.80 m - Weight: 50 kg
Options: thermal vest equipped with heating pockets for spot training thanks to thermal camera - two replacement heating pockets - 10 kg ou 20 kg weighted vest - black hood for water adult or kid manikin, legs protection - warrying bag - replacement overall for kid, teen, adult and water adult - replacement boots for adult of kid manikin - 4 velcro straps for boots fixation
