

SPELEAGLE CAVING HAMMER

<https://www.securhit.com/en/caving-and-canyoning/255-marteau-speleo-speleagle.html>

Caving hammer

Description

Innovative hammer with lightened head, made of galvanized steel, designed for mountaineering, caving and rescue.

Equipped with two hexagonal spanners for tightening screws, one 13 mm in the handle and one 17 mm in the head of the hammer.

Ergonomic rubber handle and 8 mm lanyard to avoid accidental loss.

The compact size makes it perfect for caving nailing jobs.
