

BREAKING JET

<https://www.securhit.com/en/robinetterie/256-brise-jet.html> Breaking jet

Description

This jetbreaker, although light, is perfectly resistant and stable under pressure. Steel skids prevent premature wear of the material. Possibility to connect a pressure gauge directly to the jetbreaker to read the pressure, or to read it remotely. Design adapted for urban environments. The jetbreaker directs the flow ideally into the gutters 4" BSP female inlet connections (not gas) FM Approved certification Delivered with 7 bar oil bath pressure gauge.

Caractéristiques
