Description

With 350 lumens, the compact ARIA 1 headlamp has been specially designed for use by maintenance and craft professionals.

It is robust, shock-resistant (IK07) and drop-proof.

It is also waterproof and dustproof (IP67), so it can be adapted to a wide range of working conditions.

Easy to use, it has a single button for access to all the lamp's functions.

Its wide, even beam provides comfortable close-range lighting.

Practical, it can be worn on the head, around the neck or on any type of helmet, thanks to the attachments available as accessories.

Supplied with three batteries, ARIA 1 is also compatible with the CORE rechargeable battery, thanks to its HYBRID CONCEPT construction.

Certifications: CE, UKCA
