

PIXA 2 HEADLAMP

<https://www.securhit.com/en/atex-lighting/276-lampe-frontale-pixa-2.html>

Pixa 2 headlamp

Description

The PIXA 2 headlamp is a robust lamp that provides lighting for working comfortably at hand and for moving around safely.

CONSTANT LIGHTING technology: lighting performance does not diminish as the batteries run down. It meets the requirements of ATEX zone 2/22 certification (II 3 GD Ex nA ic IIB T4 Gc tc IIIC T135°C Dc) for work in an environment exposed to the risk of explosion.

Headlamp keeps hands free for work.

Several lighting modes to suit every situation:

- low mode for work within easy reach: mixed beam with wide, even base,
- high mode for work on the move: mixed beam with a focused component for comfortable orientation.

Professional lighting that's reliable, practical and long-lasting.

Caractéristiques

- Power : 80 lumens
- Weight : 160 g
