Pixa 3 headlamp

Description

The PIXA 3 headlamp is a robust and versatile headlamp. Thanks to its multi-beam design, it can be used in a wide range of situations: working close to hand, on the move and at a distance.
CONSTANT LIGHTING technology: lighting performance does not diminish as the batteries run down.
It meets the requirements of ATEX zone 2/22 certification (II 3 GD Ex nA ic IIB T4 Gc tc IIIC T135°C Dc) for work in an environment exposed to the risk of explosion.
Headlamp keeps hands free for work.
Reliable, practical and durable professional lighting.
Several lighting modes to suit every situation:
- mode for work within easy reach: wide, even beam,
- on the move mode: mixed beam with a focused component for comfortable orientation,
- mode for distant vision: focused beam.

Caractéristiques

- Power : 100 lumens
- Weight : 160 g
