Petzl DUO Z1 headlamp

Description

DUO Z1 is a rechargeable headlamp with a maximum output of 360 lumens in BOOST mode. Multi-beam, it offers four lighting modes to adapt to every situation: work at hand, proximity, travel and distant vision.

Equipped with the FACE2FACE anti-glare function, the DUO Z1 lamp enables team workers to face each other without glare, so they can work together more effectively.

It meets the requirements of ATEX zone 1/21 certification (II 2 GD Ex ib IIB T4 Gb IIIB T135° C Db) for work in an environment exposed to the risk of explosion.

Lamp supplied with :

- two mounting plates for VERTEX and STRATO helmets,
- 110/240 V charger.

Caractéristiques

- Power : 360 lumens
- Weight : 370 g
- Waterproofing : IP67
