

5MM / 200M MULTI-PURPOSE ROPE

<https://www.securhit.com/en/ropes-and-cords/482-cordelette-multi-usage-en-5mm-200m.html>

Lightweight and compact multi-purpose rope

Description

The 5 mm, 200 m long semi-static rope is lightweight, compact and extremely versatile.

It can be used for a wide range of applications, including working at heights and DIY, as well as climbing, mountaineering and caving.

It is EN 564 certified and complies with UIAA requirements.

The multi-purpose rope is abrasion-resistant and has a low elongation.

It has good knotability.

It can be used in a variety of ways, for example as an aid for working at great heights, climbing, mountaineering, caving, etc.

It can also be used for self-locking knots (Prussik).

The cord is available in three colours:

- Black orange
- Orange
- Black red

Caractéristiques
