

PETZL ASCENTREE DOUBLE ROPE CLAMP

<https://www.securhit.com/en/poulies-et-bloqueurs/505-bloqueur-double-ascentree.html> ASCENTREE DOUBLE PETZL rope clamp for double rope ascents in footlock or with two PANTIN footlockers. Comfort and ergonomics for a pleasant grip.

Description

Ensuring safety is essential for all professionals working at height. The PETZL ASCENTREE DOUBLE rope clamp is specially designed for double rope ascents using the footlock technique or two PANTIN foot clamps.

- Easy-to-use, practical equipment
- Overmolded handles for improved ergonomics and a comfortable grip
- Generous handle openings for easy grip even with gloves
- A cleat incorporated into the body of the clamp to prevent accidental snagging
- Optimized operation thanks to spiked trigger with drain slot
- Lower hole for connecting a PROGRESS lanyard
- A top hole for carabiner attachment

Rope compatibility: 8 to 13 mm

3-year warranty
