Description

For professionals working at height, certain conditions must be met. Safety is one of them, and it's essential not to neglect it. PETZL's AVAO BOD FAST U harness is particularly appreciated for its comfort and quick installation. Support, suspension and fall arrest make it ideal for everyday use.

Comfort all day long:

- Secure support at waist and thigh level
- Lightweight materials for a comfortable fit
- Foam straps away from the neckline

Effortless adjustment:

- DOUBLEBACK self-locking buckles on waistband and shoulder straps make adjustment a snap, even when wearing gloves
- FAST automatic buckles on the thighs for quick harness donning
- MGO connector storage system for fall-arrest lanyards
- Side attachment points can be folded down to prevent snagging
- DOUBLEBACK self-locking buckles on the back of the harness

Well thought-out design for optimized organization:

- Six preformed gear loops with protective sheathing
- Two loops for CARITOO tool holders
- Four loops for TOOLBAG tool pouches

The harness is available in two colors: black or black/yellow.
