Easy-to-install European-style fall arrest harness with color-coded straps. Versatile, ergonomic and lightweight for optimized work at height.

Description

Versatile, comfortable equipment for successful work at height? The NEWTON harness from PETZL, in its European version, is the perfect companion for your missions.

Ergonomic design:

- A body-hugging harness with great freedom of movement
- Heavy-duty textile sternal attachment point
- LIFT spreader connection for successful vertical descent
- Strong, durable metal back attachment point (anodized aluminum)

Easy installation:

- Color-coded straps to distinguish at a glance between the upper and lower parts of the harness before fitting.
- Easy opening and closing of the harness thanks to the FAST LT PLUS automatic sternal buckle and release system to prevent accidental opening
- DOUBLEBACK self-locking buckles for quick adjustment of shoulder and thigh straps
- Optimized tool access with TOOLBAG tool holders and pouch loops
