

PETZL RING2SIDE ACCESSORY

<https://www.securhit.com/en/harnesses-and-belts/528-accessoire-petzl-ring2side.html>

PETZL RING2SIDE for converting a textile side attachment point into a metal attachment point on FALCON and FALCON ASCENT harnesses. For easier snap hooking.

Description

When it comes to working at height, strength and practicality go hand in hand. With one watchword: safety. PETZL's RING2SIDE ring is specifically designed to make life easier for professionals in high-risk areas. Practical, it transforms a textile lateral attachment point into a metal one.

- Compatible with FALCON and FALCON ASCENT harnesses
- Semi-rigid design with RING OPEN opening and closing system
- Large diameter (46 mm) for easy snap hooking
- Possibility of folding down the ring when not in use, to prevent potential snagging

Large axis resistance: 23 kN

Small axis resistance: 23 kN

Caractéristiques

- Weight : 75 g
- Materials : aluminium, plastique
- Certifications : CE EN 362 type M, UKCA, EAC
