

AQUAVET NEV PRO WHITE WATER JACKET

<https://www.securhit.com/en/gilets-et-bouees/543-gilet-eau-vive-aquavet-nev-pro.html> Aquavet Nev Pro professional safety jacket

AQUAVET

Description

Designed and manufactured in France, the Aquavet NEV PRO professional safety waistcoat is designed primarily for water rescue professionals (flooding, white water rescue, etc.). It is durable and extremely hard-wearing.

It provides real comfort and reliability for users, thanks to its opening/closing by straps and quick-release buckles, its studied cut and its side adjustments. Foam protectors on the shoulders, side gussets and lower back provide extra impact protection.

Sizes available:

- S/M 40 to 60 kg - 70 N
