PETZL ASTRO SIT FAST sit-harness, combining great comfort in difficult access situations and high safety. Perfect for working at height for long periods.

Description

It's essential to equip yourself with safe accessories to guarantee worker safety. The PETZL ASTRO SIT FAST harness provides the comfort and reliability needed for successful work at height, even when access is difficult.

An openable ventral attachment point for fitting safety accessories:

- connection of a PROGRESS ADJUST or JANE lanyard without the need for a connector
- The addition of a TOP CROLL torso on the ventral point for greater freedom of movement when ascending the rope
- The ability to attach the PODIUM harness to the axle, ensuring direct attachment to the descender and flexibility at the ventral attachment point

Uncompromising comfort:

- A secure fit thanks to a rigid waistband and thighbands, and padded foam for all-day comfort
- Seamless equipment connection via two folding metal side attachment points

Quick adjustments:

- FAST LT buckles on the thigh straps for quick and easy adjustment
- DOUBLEBACK PLUS self-locking buckles on the waistband

Well-organized work tools:

- Six pre-formed tool holders with protective sheaths
- Two loops for CARITool tool holders
- Two loops for TOOLBAG tool pouch
