

PETZL FOOTAPE PEDAL

<https://www.securhit.com/en/pulleys-and-ascenders/559-pedale-footape.html>

PETZL FOOTAPE adjustable webbing pedal, for use with the ASCENSION handle or BASIC rope clamp.

Description

Some equipment is indispensable for rope ascents. Like PETZL's FOOTAPE pedal, a key accessory to simplify climbing.

- Simple, direct attachment to the ASCENSION handle or BASIC rope clamp for successful rope ascents.
- Easier foot threading thanks to a rigid pedal
- Abrasion-resistant foot reinforcement
- An elastic band keeps your foot securely in the pedal, adjusting to the type of shoe you're wearing
- The pedal can be stored in a jiffy, without taking up space
- DoubleBack buckle for quick pedal height adjustment

Weight: 65 g
3-year warranty.

Caractéristiques

- Materials : polyamide, acier, aluminium
